## UN International Year of Co-operatives Appeal

**Appeal video from Dame Pauline Green, ICA President.  
Go to [2012.coop/iyc-appeal](http://2012.coop/iyc-appeal) to watch the full appeal video**

2012 provides the ICA with a once-in-a-lifetime opportunity. It gives us the chance to communicate the scale and scope of co-operatives, and the benefits they bring, in a way that we can build on for the future. An opportunity to rebrand co-operatives!

To help achieve this objective the ICA is seeking to raise **1.5 million Swiss francs**.

To deliver the International Year the ICA needs your financial support.

We can now build on our position as the leading voice of the co-operative movement and deliver our messages to a global audience through an integrated communications strategy.  
2012 is our time – let's make it count!
